BERNHARD TARAS VENTURES LLC

**SAFE A – Early Commitment Tranche (Post-Conversion)
(Simple Agreement for Future Equity)**

THIS CERTIFIES THAT in exchange for the payment by _____
(the “**Investor**”) of \$ _____ (the “**Purchase Amount**”) on or about _____,
Bernhard Taras Ventures LLC, a Florida Limited Liability Company (the “**Company**”), issues to the Investor the right to receive **Units (as defined below), which constitute membership interests** in the Company, subject to the terms described below. The Company intends to use the proceeds from this SAFE to fund working capital, inventory, distribution expansion, and general corporate purposes. This SAFE offering is available for acceptance until February 15, 2026, unless extended by the Company in its sole discretion.

The “**Discount Rate**” is 25%.

See **Section 2** for certain additional defined terms.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the termination of this SAFE, on the initial closing of such Equity Financing, this SAFE will automatically convert into the number of **Units** equal to the Purchase Amount divided by the Discount Price; provided, however, that if the Discount Price would result in a per-Unit price below the Minimum Conversion Price, the conversion price shall be deemed to be the Minimum Conversion Price, unless the Company consents in writing.

In connection with the automatic conversion of this SAFE into membership interests, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents (i) are the same documents to be entered into with the purchasers of the membership interests, and (ii) include only the most standard and customary exceptions to any drag-along applicable to the Investor, such as limited representations and warranties and limited indemnification obligations. The Company shall have the right to determine the terms of any conversion documents, provided that such terms are not materially less favorable to the Investor than those offered to other investors participating in the same transaction.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this SAFE, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the lesser of (i) 2.0 times the Purchase Amount or (ii) the amount payable on the number of **Units** equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). In no event shall the total amount payable to the Investor in connection with a Liquidity Event exceed 2.0 times the Purchase Amount. If any of the Company’s equity holders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor’s failure to satisfy any requirement or limitation generally applicable to the Company’s equity holders, or under any applicable laws.

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this SAFE, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds

equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority.** In a Liquidity Event or Dissolution Event, this SAFE is intended to operate like standard non-participating membership interests. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into membership interests); and

(ii) On par with payments for other SAFEs and/or membership interests, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other SAFEs and/or membership interests, the applicable Proceeds will be distributed pro rata to the Investor and such other SAFEs and/or membership interests in proportion to the full payments that would otherwise be due;

The Investor's right to receive its Conversion Amount is (A) on par with payments for membership interests and other SAFEs who are also receiving Conversion Amounts or Proceeds on a similar as-converted to membership interests basis, and (B) junior to payments described in clauses (i) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This SAFE will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this SAFE) immediately following the earliest to occur of: (i) the issuance of membership interests to the Investor pursuant to the automatic conversion of this SAFE under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

(f) **Discretionary Conversion by the Company.** Notwithstanding anything to the contrary in this SAFE, the Company may, at its sole discretion and with the approval of the manager (or equivalent governing body), elect to convert this SAFE into membership interests at any time prior to termination of this SAFE, upon written notice to the Investor. The number of membership interests issued upon such conversion shall equal the Purchase Amount divided by a price per Unit equal to the most recent 409A valuation or other fair market value as determined in good faith by the manager, which determination shall be final and binding on all parties absent manifest error; provided that any such conversion shall not occur at a per-Unit price lower than the Minimum Conversion Price unless the Company consents in writing. Upon such conversion, the Investor shall execute all transaction documents customarily required in connection with the issuance of membership interests, subject to the limitations set forth in Section 1(a).
